Operational Notice

No.5 of 2016

Hotwork in Port Operational Areas

All Port Users are reminded that all Hotwork (i.e. cutting, grinding and welding operations) undertaken on Port Operational Quays (including the Oil Berths 1, 2 and 3) must be authorised in advance by Port Operations. All unauthorised Hotwork is prohibited.

Anyone wishing to conduct Hotwork in Port Operational Quays must submit copies of their Risk Assessment and Method Statement for the proposed work to Port Operations for review. Once authorised, a Permit to Work will be raised highlighting any additional controls over and above the Method Statement that need to be implemented. Persons undertaking any work will require to complete the BHC online safety induction.

Port Operations staff will monitor permitted activity and reserve the right to suspend operations if controls are not followed.
